Dear Dr. Bramson:

We have today received a letter from Dr. Kahn
part of which reads as follows:

"Acknowledgment is made herewith of your
Rec. 621 of the 16th ultimo, enclosing
Mr. Bramson's application for membership.
We are enclosing herewith an application
blank for Mr. Bramson which kindly have
delivered to and signed by him if he is
still in the States. To make the receipt
doubly sure we are also mailing a copy
to Mr. Bramson in Berlin."

This is self-explanatory.

With kind regards,

Sincerely yours,

J. C. HYMAN.
